Welcome

Welcome to the Danish Tax Agency's self-service system, E-tax (TastSelv). Here you can see and change your tax assessment notice. You can pay your outstanding tax and you may authorise your accountant or others to access your information in E-tax.

Please call us on (+45) 72 22 18 18 or chat with us at skat.dk/english if you need help.

Note that you are currently only able to see and change your preliminary income assessment in Danish. Help texts marked with a question mark and certain sections are also currently only available in Danish.

Legal notice and disclaimer

Please note that in case of any dispute, the Danish version of your tax assessment notice will prevail.

The website will be in Danish but do not worry, it is the only one. Choose "Giv adgang til rådgiver eller andre"

Authorise your accountant or others

On this page, you can authorise others (such as an accountant or a family member) to access E-tax for individuals to see and change your information. You can also change or delete these accesses.

The accesses you have authorised will be shown in a list sorted by CPR/CVR/SE no. If you want to see or change one of your accesses, highlight the line below and click 'Show/edit'.

You can and should only authorise access to the information which the authorisation is to cover and which is necessary for the person you have authorised. You do so by ticking the access boxes below.

If you want to delete an access, remove the tick again.

you have authorised, what you have authorised access to and the period of validity of the access in question. On this page, you can change/delete an authorisation and authorise a new access. You may withdraw an authorisation at any given time. This means that whoever you have authorised will no longer have access to your information.

Please call us on (+45) 72 22 27 95 or write to us via the contact form if you have any questions.
